MOTHER'S UNION,- The celebration on the Monday in Holy Week (March 25th) at 11.0 a.m. is being especially arranged to suit members of the Mothers' Union. It is hoped that many may avail themselves of this service.

BRITISH AND FOREIGN BIBLE SOCIETY.- A meeting in support of the above was held in the Parish Room on Wednesday, Feb. 21st, when a most interesting lecture was given by Mr. Hudgell, the organising secretary for the Diocese, on the splendid work the Society has done and is still doing in different parts of the world, especially just now among our soldiers and sailors. The meeting was rather scantily attended, but it is hoped that there will be more interest and enthusiasm aroused in the parish generally on behalf of this Society, which is doing such good work.

DIOCESAN INSPECTOR OF SCHOOLS, - The Diocesan Inspector, Rev. R. de M. Nixon, assisted by Rev. Steele-Smith, visited the Schools on February 4th, and made the annual inspection. The following is the report:-

Boys, - Summary Mark, good.

Report,- This School has passed a very satisfactory examination, and its condition as regards Religious Knowledge is well described by the summary mark. There is nothing to blame, nothing exceptional to commend, but plenty of steady level work, which is what one most wishes to find.

Bishops Prize, - William Haynes.

Certificates, - Dudley Phillips, Fred Cutler, William Woodward, Jack Pitchford, Edwin Tearle.

Commended,- 1: H. Rimington, G. Baker, R. Gates, J. Page; 2: H. Tearle, L. Kirk, G. Dimmock, R. Roper, W. Woolhead, W. Randall, L. Walker; 3: G. Randall, H. Johnson, C. Corkett, K. Bandy, A. Badrick, C. Pearce, L. Haynes.

Girls,- Summary Mark, good.

Report,- Both Mr. Steele-Smith, who kindly helped me, and myself, were very pleased with the work of this school. In each class the teaching is being given on good lines, effectively, and in a way likely to be practically useful to these girls, when they go out to face the difficulties and experiences of their lives.

Bishop's Prize, - Amy Redrup.

Certificates, - Nancy Woolhead, May Green, Kate Pease, Gwen Roper, Elise Cutler, Eva Eagles, Ivy Richardson.

Commended,- 1: E. Denchfield, A. Watson, N. Hammerton, N. Tuckwell, M. Haynes, N. Tearle, A. Prentice, Nan Green. 2: G. Mortimer, M. Redrup, E. Dudley. 3: M. Baker, C. Sullivan, E. Rickard.

Infants. Summary Mark, good.

Report,- Mr. Steele-Smith, who kindly inspected this school for me, reports that everything is going well in it. The teaching throughout is both skilful and effective, and the children are bright and happy. He particularly wishes me to add how pleased he was with the First Class, which was an excellent one in every way.

Commended. – 1: L. Mortimer, G. Corkett, H. Bone, L. Corkett, P. Dimmock, L. Bolton, W. Pickering, E. Watson, J. Dewar. 2: N. Wood, L. Rimmington, G. Tearle, G. Evans, W. Rogers, D. Smith.

MRS. H. G. WILLINK, - It is more than 33 years since the Rev. P. T. Ouvry resigned his position as Vicar of Wing, and still longer since his eldest daughter left to be married to make a new home for herself in Berkshire. But though so many year have elapsed she continued to take the kindest interest in Wing, and her memory is still gratefully treasured by those who knew and loved her. She passed away at her home, Hillfields, Mortimer, after some months of failing health, on Feb. 10th, aged 67.

WING PROVIDENT DISPENSARY.- A public meeting of the members and subscribers being again impossible, we append a statement of accounts for the current year :-
